*= *From the Sibyl Hermele Collection.*

Following the sale, Matthew Barton, said: "This was our biggest sale to date in number of lots and amount sold. We were delighted with the results of the private collection of early English porcelain from Mrs Sibyl Hermele (43 lots, which sold for £92,316) as well as the overall strength of the silver market. There were also remarkably good results among the ivory okimono and works of art. I look forward to my next sale on May 21, 2013."
